## WORK UNDERWAY ON £14M SKILLS CENTRE

A £14MILLION Skills Centre offering vocational education and training opportunities to young people was launched at a groundbreaking ceremony yesterday (Wednesday).

Barking MP Margaret Hodge officially launched the ceremony attended by delegates from the Council and Barking & Dagenham College.

The College will manage the centre on behalf of the council with Kier as the appointed constructors.

The Skills Centre, in Barking Town Centre, is due to open in September 2012 and will offer high quality vocational training to 550 full time youngsters.

The centre is aimed at 14 to 19-year-olds and will provide a real work environment that resembles a place of employment rather than a school or college, and offer range of vocational occupational sectors including sustainable construction, ICT, hair and beauty and hospitality and catering.

There will be a professional hair and beauty salon and bistro open to the public and will operate as businesses within the centre.

Strong links will be established with the council's joint venture partner, Elevate, to link graduates of the Skills Centre to employment opportunities.

Councillor Rocky Gill, cabinet member for education and children, said: "This is exciting news for young people in the borough who will achieve vocational qualifications in a range of subjects at the fantastic new centre.

"We will be working alongside Barking & Dagenham College to give young people a brighter and better outlook."

Cathy Walsh, principal and CEO of Barking & Dagenham College, said: "This new Skills Centre is a perfect example of partners working together to benefit a whole community.

"By providing even better access to the best in education and training, together we are making a significant and positive difference to the life chances for our young people and their families."

The centre is part-funded by the Department of Education.

### Planted trees

BARKING & Dagenham Council planted just 30 trees last year, the fewest in London.

The average London borough planted 533, with Enfield planting the most at 1,410.

The Mayor of London Street Trees' programme was launched in 2008 to provide funding for the planting of up to 400 street trees in 40 priority areas across the capital.

### Missing budgerigar

PEOPLE are being urged to look out for a missing budgerigar.

The bird, who is called Bubbles, but answers to the name of Bubs, went missing from his home on Hedingham Way, Dagenham, last week.

He is blue, with black markings, and is described as 'perfectly tame'.

If you can help, call his owner, Michael Ferris, on 07900 954599.

### Fire service change

LONDON'S firefighters have this week seen their first change in working hours for more than 30 years.

From last Thursday, staff at the 113 fire stations across the capital moved from a nine-hour day shift and 15-hour night shift to a 10-hour day shift and a 13-hour night shift.

The new shifts are expected to improve performance and productivity.

## District Line driver attacked in Barking

A TUBE driver was knocked unconscious by a group of men blocking the doors at Barking.

Police have appealed for information after the man was set up on the eastbound District line platform in the early hours of Easter Sunday, April 24, at about 12.45am.

He was attacked and knocked unconscious, losing one of his front teeth after leaving his cab to calm trouble.

The driver, aged 35, was taken to hospital and later discharged. The men fled the station.

The three men are described as white and in their 20s.

British Transport Police's DC Steve Ajayi, the investigating offi-

cer, said: "This was a very serious assault on a member of staff who was merely trying to get his train moving and get the passengers on their way home."

"We have spoken to a number of witnesses and are keen to speak to anyone who was at the station at the time."

"Anyone who witnessed the incident or who has any information that may assist the investigation is asked to get in contact."

Anybody with any information about the incident is asked to contact British Transport Police on 0800 40 50 40 quoting background log B10 of 28/4/2011, or call Crimestoppers on 0800 555 111.

built in the 14th Century and The Broadway will use the cash to put on a community play delving into the abbey's past.

Karena Johnson, chief executive and artistic director at The Broadway, said: "We are thrilled to have been awarded this grant."

## Queen set to work with borough police officers

BOROUGH Commander Matt Bell will carry out his duties under the watchful eye of Her Majesty The Queen from now on.

Mr Bell found his office at the new Barking and Dagenham Custody and Patrol Base a tad plain, so asked PC Paul Webb, who is an avid artist and Andy Warhol fan, to paint a portrait of the Queen to brighten up his work space.

The finished work took around 150 hours of Paul's free time to complete and shows a youthful Queen Elizabeth.

PC Webb, who works in the Police Borough Intelligence Unit, said: "I have drawn and painted

since I was a child and although I paint mainly for relaxation, it is very rewarding to see the finished work being displayed on the Borough Commander's wall."

Artistic flair runs in PC Webb's family - his brother is a professional artist and his dad is an architect.

Speaking of the painting, Mr Bell said: "It's fabulous. I wanted something on a traditional theme, but a bit different. I feel that Paul has got the balance just right. It's wonderful."

**PLEASED:** Borough Commander Matt Bell with PC Paul Webb and the mural.

# Cash boost for cyclists

BARKING and Dagenham has been awarded funding to improve cycling in the borough.

It will receive £343,000 from the Mayor of London which it will spend on delivering cycling infrastructure improvements in Barking town centre, cycle training and HGV safety events, as well as installing bike parking and working with local businesses.

The money has come after the council put in a bid for a share of £4million to be spread across London's 13 biking boroughs, of which Barking and Dagenham is one.

London Mayor Boris Johnson, said: "My cycling revolution continues and I am determined to help

more residents of outer London take to two wheels.

"The funding I am committing to Barking and Dagenham will enable them to make the physical improvements that will make cycling safer and more convenient for local people."

Nearby Redbridge was granted £385,500 in this year's funding, while Havering has received £282,500.

However, Mr Johnson has been accused of short-changing those living in outer London.

London Assembly Member and leader of the Green group, Jenny Jones, said: "This is a pathetic amount of money which will achieve little of substance for

cycling in outer London.

"£4m is a fraction of what the outer London boroughs were due to spend on cycling before the Mayor cancelled funding for the London Cycling Network and cut the money he gives boroughs for local transport.

"The Mayor expects that around two thirds of the new cycling journeys in London will be made in outer London, yet he is spending 65 times more money on super-highways into inner London and cycle hire for central London."

Two pilot Cyle Superhighways are being constructed to link inner and outer London at a cost of £23million.

The first runs from Merton to the

City via the A24 and A3, and the second links Barking to Tower Gateway via the A13. A further 10 routes are planned.

Aside from the funding, Barking and Dagenham will also host one of Mayor's Sky Ride events on Sunday, August 21. Another will take place in Hillingdon on Sunday, July 31.

The rides will offer people of all ages and abilities the opportunity to re-discover the fun they can have on two wheels cycling on traffic free routes through their local borough.

Previous Sky Ride events in Hounslow, Ealing and Redbridge attracted a total of 29,000 cyclists between them.

# Meet the new Broadway boss

By Martyn Dolton

MEET Deborah Sawyerr, the new general manager at the Broadway Theatre in Barking.

Deborah, 44, may have only been at The Broadway for a week, but she brings with her a wealth of experience in the theatre business and has worked on prestigious events such as the Edinburgh Festival.

In fact, her 19-year career in theatre has seen her work at several theatres across the country and tour with countless companies.

But theatre was not her first choice occupation and it was during the beginning of her career as a teacher that her future in the industry started to take shape.

After graduating from the University of Winchester, she spent three years teaching primary school children, and as a hobby, undertook a diploma at an evening class in stage management and technical theatre.

After completing the two-year course, she began her career in theatre, and now, 19 years later, finds herself at the Broadway.

She said working in the theatre industry was more an extension of her social life than work.

She said: "I absolutely

love the theatre – I love to be told a story.

"I love all genres of theatre, as long as it keeps me on the edge of my seat and I feel as though I'm being taken with them on their journey, I'm happy.

"I love stories so much that even when I'm out in the car, I'll be listening to an audio book rather than music."

Deborah has worked in several theatrical roles including stage manager, production manager and now general manager, which involves her overseeing the whole operation, working closely with other managers.

She said: "The great thing about the general manager role is that I get to work closely with all aspects of the productions we offer at The Broadway, but also, if I do my job right, I'm the 'unknown' person.

"But if we mess up, which I will make sure never happens of course, I will be the one in the firing line.

"I think that's what makes the job so attractive, you cannot stay still for five minutes, you always have to plan ahead – for instance we're already planning this year's pantomime!"

For more information about Deborah and the Broadway visit [www.the-broadwaybarking.com](http://www.the-broadwaybarking.com)

### Driving ban for student

AMINUR Choudury, of Shirley Gardens, Barking, has been banned from driving for 20 months after admitting drink driving.

Choudury, 22, a university student, pleaded guilty at Basildon Magistrates Court on Wednesday.

He was found to have 75 microgrammes of alcohol in 100 millilitres of breath while driving a Hyundai i800 outside Basildon Festival Leisure Park on April 24.

Choudury told the court he was celebrating a friends 'stag night' when he offered to move the car closer to the nightclubs before being pulled over by police.

He was fined £100 and was ordered to pay £85 in costs and £15 victim surcharge.

### Dig for Victory garden

A NEW vegetable garden at Valence House in Dagenham is recapturing the spirit of Britain's famous Dig For Victory campaign.

The allotment will bring back memories of the time that thousands of Britons turned their hands to vegetable gardening so the nation could feed itself during its hour of need.

A life-sized Anderson air-raid shelter forms the centre-piece of the garden and is surrounded by the kind of hardy variety vegetables that were popular during the 1930s and 40s. There are also beehives which will hopefully produce Valence House honey later in the year.

The Dig For Victory garden is next to Valence House Museum in Becontree Avenue, behind Valence Library.

### Football success

DAGENHAM United U13 team has been crowned Premier League champions.

The team beat Thurrock last week 2-0 to secure their place at the top spot.

The season also saw the team finish runners-up in the League Cup and reach the semi-final of Essex County Cup.

# Concerns over plans to shut police stations

By Paul Peterson

PLANS to slash the number of police stations have been unveiled.

The proposals to cut the number of round-the-clock police stations have been outlined in a public consultation being run by the Met.

It means that there could only be one 24-hour police station per borough.

But London Assembly member John Biggs has slammed the proposals.

He said: "I am concerned that the Met's review could mean Barking and Dagenham, Newham and Tower Hamlets would go from having two 24-hour police stations in their boroughs to just one."

"All the evidence shows that people value a local police presence and there will need to be a good justification for any change."

The public survey is looking into people's access to the police,

including front desk, phone and online services and access to police stations.

Feedback will inform a review by the Met later this year.

Mr Biggs has also criticised the public consultation, however, and argues that residents have not been informed that it is even taking place.

He added: "I am very concerned that the Met's review hasn't been publicised widely and I want to make sure Londoners take part and make their views heard before the survey closes on Friday, May 27."

"I urge residents to fill out the survey so the Met know what kind of policing facilities people want in their borough."

A spokeswoman for the Met refused to comment.

## CONDITIONS OF ACCEPTANCE FOR ALL ADVERTISEMENTS

Orders are accepted by the Publishers subject to the Standard Conditions agreed between the Newspaper Society and the Institute of Practitioners in Advertising. Save that:

1. Advertisements are accepted on the conditions that (a) descriptions relating to goods are accurate and in no way contravene the provisions of the Trade Descriptions Act 1968, and the Fair Trading Act 1973, and (b) the copy complies with the British Code of Advertising Practice. Advertisements offering credit or hire facilities must conform to the Consumer Credit (Advertisements) Regulations 1980.
2. Classified Advertisers offering goods or service of a business, commercial or trade nature will, at the discretion of the Publishers, be deemed 'Trade Advertisers', and as such, must include their names in advertisements. A telephone number is an optional addition to these requirements and not an alternative.
3. The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:  
(a) Any error, inaccuracy or omission in the printing or publishing of any advertisement;  
(b) Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser, or  
(c) Any delay in forwarding or omission to forward replies to box numbers to the Advertiser.
4. The Publishers will endeavour to publish advertisements on the day / date or day / dates specified by the Advertiser but insertion days / dates cannot be guaranteed.
5. Where shrinkage of advertisement occurs for whatever reasons the advertisement will be charged to the nearest full centimetre. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.
6. The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has already been accepted for publication.
7. Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion, typographical or minor changes, which do not affect the value of the advertisement, do not qualify for republication or allowances.
8. All gross advertising rates (except classified lineage and semi-display) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertiser at the time of the advertisement, to the regulatory control system administered by the Advertising Standards Authority.
9. All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.
10. Should the rate for advertisements be altered the price for remaining insertions shall be revised accordingly or the publishers shall have the right to cancel the unexpired portion of the order.
11. The placing of an advertisement order will be deemed an acceptance of these conditions.
12. Account facilities are granted at the discretion of the Company.
13. All accounts must be settled within the terms agreed by the Company and the Customer.
- (1) Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that have been allowed will be reclaimed.
- (2) Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 6% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that have been allowed will be reclaimed. Should legal action be required the interest will be charged in accordance with the County Court Act 1984.
14. Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for an advertisement(s) should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.
15. All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.
16. All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.
17. The Publisher may provide voucher codes for published advertisements in electronic form only subject to certain criteria. Further information is available on request.
18. The copyright of advertisements produced wholly or partially by the Publishers belong to the Publishers. Advertisers may not reproduce such advertisements without the Publishers' consent.

**Box Numbers**  
Boxes are open for the receipt of bona fide answers and are not available for distribution of trade canvassing material. Original testimonials, goods, cash, cash stamps or payments of any kind must not be enclosed. A box number and postal address are charged as part of the advertisement, i.e. Box No., centre address. There is no charge for forwarding replies.

Box numbers alone are not available for use in 'Trade' advertisements, other than Employment and Business Opportunities.

**Holiday & Travel Category**  
All advertising must contain the name of the advertiser, phone number alone are not permitted.

**Data Protection**  
The service you have requested may require us to carry out a credit search at a credit referencing agency, which will record the fact that a search has been made. We may need to share your information with other lenders and credit reference agencies. However, we will only use the information from these searches to make credit-granting decisions and, if necessary, for fraud prevention or tracing debitors.

Data controller will use your information for administration and analysis. We may share your information with other indie Group Newspapers companies or carefully selected third parties. We, or they, may send you details of other goods and services, which may be of interest to you. The information may be provided by letter, telephone or other reasonable means of communication. Calls may be recorded or monitored for training purposes.

Special conditions apply with regard to the advertising of adult services, which are outlined to all persons submitting such advertisements.

Leyton Orient

## Orient end on a high

RUSSELL Slade's Leyton Orient brought the curtain down on a promising season with an emphatic 4-1 win at League Two-bound 10-man Plymouth Argyle on Saturday.

Keeper, Romain Larrieu was red carded for a late deliberate handball, as goals from Scott McGleish, Dean Cox and a Alex Revell double left the O's just an agonising point short of a play-off spot.

Slade said: "I'm ready for a break. I think we've played 58 games.

"But you have to take the season as a whole in context and look at the reasons for not nicking a play-off slot.

I am thinking of the slow start we made and injuries that came at a crucial time. We've rallied and 73 points is not bad and the highest league position for a good while."

## Daggers go down after last day drubbing

Dagenham & Redbridge

DAGENHAM & Redbridge suffered relegation down to Npower League Two after a 5-0 drubbing at the hands of Peterborough on Saturday.

Walsall's defeat at promoted Southampton would have meant even a draw would have kept the Daggers up. But Posh ran out clear winners in a very one-sided encounter at London Road.

They took the lead after 10 minutes when Nathaniel Mendez-Laing burst through and fired under Tony Roberts.

The Daggers came close to an equaliser when Darren Currie hit the post and the visitors gave it their all to stay in the division.

But Peterborough upped their game in the second half and the killer blow came on 65 minutes when Grant McCann blasted home from the edge of the box to make it 2-0.

The east Londoners still worked away but with the wind taken out of their sails, Posh took control.

George Boyd and ex-Dagger Craig Mackail-Smith added more in the final 10 minutes before David Ball completed the win.

Boss John Still said: "We didn't go down today, it's been over 40-odd games, but week after week we have got the maximum out of what we have.

"For our resources, we have amazing quality. I haven't got much to do, I know exactly what I'm doing and I'm relaxed about the close season."

# Survival looking less likely as Irons are held to a draw

West Ham United

WEST Ham's hopes of survival took a dent at the weekend as their relegation rivals picked up the points to keep them bottom.

The Irons grabbed a 1-1 draw with Blackburn Rovers, but Wigan held Aston Villa and Blackpool with Tottenham to each net a point, while Wolves leapt out of the drop zone with a 3-1 win over West Brom.

Avram Grant's men now find themselves four points from safety with two games to go – and only wins will do against Wigan next Sunday and Sunderland the week after.

The Israeli is still confident of staying up. He said: "I believe we can do it. We're not in an easy situation, but if we beat Wigan we'll be above them and that is important.

The day started badly for West Ham when both Scott Parker and Matthew Upson were ruled out of the important clash with Blackburn. Manuel da Costa had an early effort cleared off the line for the Irons, but they were behind in 12 minutes.

Jermaine Jones fed the ball wide to Brett Emerton and his cross was converted by Jason Roberts. It stunned the home side, but they started to come back at the end of the

half with Demba Ba, Jonathan Spencer and Freddie Sears causing some problems for Paul Robinson in the Rovers goal.

There was more about the Hammers in the second half as they set about finding a leveller. But there was also a touch of desperation about them and when Grant sent on strikers Robbie Keane and Frederic Piquionne for Lars Jacobsen and Luis Boa Morte, it left them top heavy and little in the creative roles behind.

However, with things looking bleak, they levelled from nowhere. Carlton Cole held the ball up for

Thomas Hitzlsperger and Der Hammer let fly past Robinson from outside the box. Suddenly, with 10 minutes to go, West Ham had some belief – but they found Rovers captain Christopher Samba in immense form with a number of superb blocks.

But they should have snatched the winner when Piquionne crossed for Keane to tap home from a couple of yards, but the on-loan Irishman misused his attempted shot and seemingly missed the ball completely.

On such near misses come major consequences. Failure to win leaves the Hammers favourites for the drop.

In the division's other match, Shenfield beat Fives & Heronians by three wickets after the visitors had put up 186.

### DIVISION TWO

Old Southendian & Southchurch knocked out 222 as they were put into bat by Horndon on the Hill. It proved too much for the hosts, who lost by 71 runs.

Leigh on Sea put up a solid 201 against Walthamstow as Asif Bala took 6-40. But Jamie Glenn's

unbeaten 113 helped the east London side to a three wicket win.

Ben Keith hit 78 for Westcliff on Sea as they beat Southend on Sea & EMT by six wickets after the latter had put up 192-9.

Wickford beat Stanford le Hope by six wickets after the home side were all out for 103.

There were three centuries in the match between Old Brentwoods and Old Parkonians.

I Singh hit 123 and Akram Shaith 106 as Brentwoods put up 336-6 in their overs. Parkonians opener Hermes Solomonides hit 109 as his side fell 12 runs short.

It was much more one sided at the Rolls Sports-ground where West Essex were bowled out for 139 as Woodford Green beat them by eight wickets.

Details of Ongar's match with Benfleet had not been submitted at the time of going to press.

Cricket

## Cook handed ODI role as Strauss steps down

ESSEX batsman Alastair Cook has been named England's one-day international captain.

His appointment comes after previous skipper Andrew Strauss announced his retirement from one-day internationals, but he will continue as Test skipper with Cook as vice-captain.

Cook, 26, already has experience of leading England, captaining the team on the tour of Bangladesh in 2010 in which they were victorious.

He will take up the role once again when England host Sri Lanka at the Oval on June 28.

Cook said: "I've worked hard on my limited overs cricket in recent times - I've never seen myself as a Test batsman exclusively and I know I have a lot to offer strategically and as a top order batsman in one-day cricket.

"I will continue to work closely with Andrew Strauss and also Stuart Broad (appointed T20 captain) as we form a leadership team across all forms of the game. We have the chance to work together and share ideas which will benefit our cricket in all three formats."

Cook has been impressive with the bat for England, scoring 766 runs in their winter's Ashes success in Australia.

However, he has only featured on 26 ODIs since his Test debut in 2006, but impressed, hitting 64, 60 and 32 to help England win their series against Bangladesh last year 3-0.

## Barking suffer defeat

BARKING suffered their first defeat of the season as London Scottish put their name on the National League One title.

The east Londoners went down 13-17 to the champions in front of a bumper crowd at Goresbrook.

Barking play their final match of the season this weekend, which is a trip to fourth-placed Macclesfield.

Non-League Football

## City and Town beaten

CHELMSFORD City will now turn their attentions to next season after a 6-2 aggregate defeat to Ebbsfleet United in the Blue Square South play-off semi-final.

Michael West netted twice for Ebbsfleet on Sunday with Wayne Gray nabbing a second half consolation in the 2-1 defeat.

Manager Glenn Pennyfather said: "It's important to put this setback behind us and look forward to next season.

"We should be proud of what we've achieved and I'll be back on the phone [Monday] morning looking to get players in who'll help us try and win it next season.

"We've got the nucleus of a good side and, with additions, we'll go again."

Brentwood Town also tasted defeat with a heartbreaking extra time defeat to Wingate & Finchley in their Ryman League Division One North play-off final.

Town found themselves 2-0 down within 12 minutes. Darren Blewitt pulled one back after half time before Sos Yao was red-carded. Despite having a man fewer, Brentwood levelled with six minutes to go through Danny Dafter.

The game looked to be set for penalties but with 116 minutes on the clock, Murat Karagul beat Andy Hall to make it 3-2 to Wingate.
